Implementation of the 2030 Agenda for Sustainable Development: The Role of the Regional Commissions

The dialogue will provide perspectives on key areas of focus by the RCs for supporting Member States in implementation and follow-up and review of the 2030 Agenda, including:
1. Integrating SDGs into national development planning and fiscal frameworks;
2. Promoting policy coherence, consistency and coordination;
3. Enhancement of data and statistical capacities of MS;
4. Identifying and promoting alternative and innovative sources of financing for development;
5. Leveraging science, technology and innovation;
6. Tapping South-South and regional partnerships and;
7. Translating regional models into global public goods.
